Re: Bejjani et al v. Manhattan Sheraton Corporation et al
Docket No. 07 Civ. 10729 (HB) (DCF)

Dear Judge Baer:

I am the attorney for plaintiffs in the above civil action, which, pursuant to § 301 of the Labor Management Relations Act, 29 U.S.C. § 185, alleges violations of the collective bargaining agreement between defendant Manhattan Sheraton Corporation ("the Employer") and defendant New York Hotel and Motel Trade Council, AFL-CIO (the "Union") and alleges breaches by the Union of the duty of fair representation. ("DFR")

Both Defendants have separately moved to dismiss the complaint. The Union's Memo of Law is 25 pages and the Employer's is 24 pages. They cite collectively over 70 separate cases. Request is hereby made that the page limitations for my responsive brief be extended to 45 pages so that I may appropriately respond to their extensive filings.

In addition, after further consultation with my clients, we request that you make a referral to a Magistrate Judge, for settlement negotiations.

Respectfully yours,

Robert N. Felix
